OBJECTIVE

A motivated BCA student at The NorthCap University (2023–2026) seeking opportunities in web development, software design, and creative technology projects. Passionate about building interactive and user-friendly applications that blend functionality with visual appeal. Always eager to learn emerging tools and contribute to real-world projects through teamwork and innovation.

ACHIEVEMENTS

Actively participated in various poster-making competitions, demonstrating creativity and design skills.

Successfully created and multiple academic projects in Python, C++, Java, and Web Development.

Took part in multiple tech quizzes, enhancing logical thinking and technical knowledge.

Designed and developed a working and responsive website using HTML, CSS, and JavaScript.

SKILLS

Primary Tech Skills

- Python
- Java
- JavaScript
- HTML
- CSS
- Excel

Secondary Tech Skills

- Adobe Premiere Pro
- UI Design Basic
- C++
- React

Soft Skills

- Team Work
 - Time Management
 - Friendly
-

PROFESSIONAL EXPERIENCE

The Sanshil Foundation - Internship (MAY-JULY 2025)

Contributed to community-oriented initiatives, managed documentation, and supported awareness campaigns as part of the foundation's social impact programs. Teach computer concepts and programming up to class 10. Help learners understand coding basics, MS Office tools, and digital awareness through practical sessions.

PROJECTS

Responsive Portfolio Website - February 2025

Built a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase academic and creative projects.

Chatbot Song Recommendations System - Using Python

Created an interactive chatbot that suggests songs based on user input using Python's time library for playback simulation.

Weather App (JavaScript Project)

Built a real-time Weather App using HTML, CSS, and JavaScript. Integrated a public API to fetch live weather data based on user input, displaying temperature, humidity, and conditions in a responsive design.

CERTIFICATIONS

- JavaScript (Beginners) — HackerRank — 2025
- SQL (Beginners) — HackerRank — 2025
- Python (Beginners) — HackerRank — 2024
- Canva Poster Design Competitions — Multiple Events (3–4 Certificates) — 2024–2025

EDUCATION

Bachelor of Computer Applications (BCA)

The Northcap University, Gurugram

Duration: 2023 - 2026

Percentage: 7.84 / 10 (Improved from 6.92 after 1st Year)

12th Grade (Commerce)

M.M Public School, Gurugram

Year of Completion: 2023

Percentage: 58.8%

EXTRACURRICULAR ACTIVITIES

- Created stop-motion animations on topics like Growing Plants, Sticky Note Animation, and Object Chase.
- Participated in university creative events and semester-end showcases.

HOBBIES AND INTERESTS

- Designing
- Stop-Motion Animation
- Exploring New Tech Tools
- Story-Based Game Design
